NEW YEAR'S EVE STAY 2018

Celebrate the arrival of this New Year in style. We have prepared for you NEW YEAR'S EVE STAY with busy program, great gastronomy and relaxation in the inside and outside wellness. This year's theme of the New Year's Eve is Great Gatsby, or ever-dazzling twenties. You can look forward to a festive four-course dinner, live music and photo corner that will keep memories of this unforgettable evening in a material form. If you buy the package until 31st August 2018, you get a special reduced price – you should not hesitate with the reservation. More information about the package and its reservation is at: <https://www.maximus-resort.cz/en/product-en/new-years-eve-stay-2018/>.

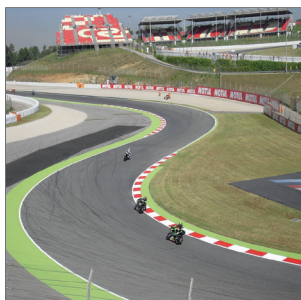

ADJUSTMENTS IN STANDARD ROOMS

We continuously try to improve the hotel so that your stay here is as comfortable as possible. This time, we have done decorative upgrades in the three-star STANDARD rooms, which we have furnished with new carpets, curtains and other small details. Before your actual visit, you can check these adjustments in the pictures here: <https://www.maximus-resort.cz/en/hotel/accommodation/>.

A MONTH OF SPANISH CUISINE

You do not have to go to Spain to experience Spanish cuisine. We will be serving typical dishes of this cuisine the whole August. You can try GAMBAS AL AJILLO [garlic prawns] or cold soup GAZPACHO that is a perfect refreshment in hot summer days. Main course is probably the most famous Spanish meal – PAELLA [a risotto from fish and seafood], and a traditional cottage cheese cake is ready for the sweet lovers. The menu is served every day from 17:00 until 22:30. We recommend to reserve a seat in the restaurant in advance via M: +420 603 459 172.

GRAND PRIX 2018

As every year, the biggest and most visited sport event in the Czech Republic – Grand Prix – will take place not far from the Maximus resort hotel, at the Masaryk circuit. If you are also fans of adrenalin, motorcycles and racing, you should not miss this show. More information about rich program and advance ticket booking can be found here: <https://www.automotodrombrno.cz/grand-prix/cz/>.
