## WE ARE OPENING A NEW BOUTIQUE SALON

We are pleased to inform you that on the 1st of August we are opening a new BOUTIQUE SALON on the 1st floor above the reception. You can expect the best, from the therapists trained in London to provide the world-famous celebrity facial care by Linda Meredith and the recognized foot and hand care by Margaret Dabbs. The Boutique Salon thus becomes the first salon of these brands in the Czech Republic. Orders are accepted at [www.boutique-salon-maximus.cz](http://www.boutique-salon-maximus.cz) or at the hotel reception: M: +420 774 750 002.

## WELLNESS CLOSED

From August 13. to 16. the Infinit Maximus Wellness will be undergoing a technical review, which will make it impossible to use the premises of the whole area (private spa, thermal pools and sauna world). But the hotel offers plethora of other services and we believe you will easily find something that you like. Thank you for your understanding and we apologize for the temporary limitations.
