WE HAVE CELEBRATED OUR FIFTH YEAR

On Sunday 18 JUNE we celebrated the five-year anniversary of the opening of our hotel. During these beautiful five years, we have built a modern hotel resort that offers many activities and relaxation. We have built indoor and outdoor Infit Maximus with an area of 4000 m², expanded the accommodation capacity, put into operation the congress halls, the bowling, the tennis facilities and built a car park for up to 250 cars.

Great thanks to our employees and amazing guests (to all of you).

Thank you very much and we will be glad if we continue to keep your favor.

INFIT SAUNA COSMETICS

Have you heard that you can support the sauna effects using the right cosmetics?

We have a novelty for you and at the same time we congratulate the Infit, which has created its 100% natural cosmetic line of products. By its composition is this cosmetics suitable for our skin both during and after sauna. A unique combination of oils perfectly nourishes the skin, hydrates, slows down the aging process of the skin and when used makes the skin more supple and velvety. In the offer you can find, for example, body and facial butter, hair balm or body oil for cellulite. Infit Cosmetics can be purchased at the wellness reception or www.infitdarky.cz.
